

## LAKE WINNI MUSIC CAMP WHAT TO BRING TO CAMP

Here is a recommended list of items to bring to camp. All clothes and other items should be labeled and a list of items should be taped to the inside top of the camper's trunk or suitcase. Bring enough clothes for the length of the session. Comfortable clothes rather than expensive casual wear are preferred. Please talk with your child about taking care of and keeping up with belongings. Every effort will be made to help campers keep up with their belongings and find lost items, but the camp cannot be responsible for lost items.

- A blanket and/or sleeping bag, sheets and pillow - weather can be hot or cold in NH - it's good to bring a mix of sleeping accessories in case it is very hot and humid or very dry and cold.
- Raincoat/Jacket/Sweater
- T-Shirts and Shorts
- Jeans or other heavy pants – it can get cold in New Hampshire.
- Shoes (at least 2 pair) and socks. Shoes are required at all times at camp. One pair of sturdy leather (hiking type), at least one pair of tennis/athletic shoes, and one pair of water sandals (flip-flops) is recommended.
- Swimsuits. At least two swimsuits are recommended. Campers are not allowed to wear swimsuits except at swimming activities.
- Pajamas
- Towels/Beach Towel/Bath Cloths
- Toiletries (toothpaste, toothbrush, soap, shampoo, etc.)
- Flashlight/batteries
- Stationery and Stamps
- Snacks - yes you can bring snacks, food, etc. We have a lot of students with food allergies - just please make sure that whatever snacks you bring are labeled. There is a store on campus that you can also buy snacks/drinks at, including Moxie the camp's favorite drink ;-)
- Money - to buy things at the camp store or send snail mail. Around \$30 is plenty. If you are worried about your child keeping track of their money, their Counselor can keep track for them.
- Your instrument:
  - For guitarists/bassists – if you have a practice amp – bring it.
  - If you are a string player and have a hard case – that would be best.
  - Pianists need not bring their instrument unless they have a portable keyboard – which is fine to bring if you want but is not needed.
  - DRUMMERS – Tim Gilmore has asked that you bring a compact set (e.g. snare, bass drum, hi-hat, 1 or 2 cymbals & toms).
  - **Please bring your music stand!**

**ITEMS NOT TO BRING:** Please be sure the following items, which can cause problems, are NOT brought to camp: walkie-talkies, pocket knives, spray cans of any type, firecrackers or any fireworks, pellet guns, knives, inappropriate reading materials. If you are caught texting or talking on your mobile phone during classes or activities then it will be taken away from you. Mobile devices are allowed at camp but only for pictures, listening to music etc. If we find that you are texting or calling others at camp your Counselor has the right to take away your mobile device.
